

SERVICES

In addition to the trade, our workshop provides any kind of repairs and service features for material handling equipment and lifting platforms plus driver training for these kind of machines.

We hire Europe-wide handling- and lifting equipment and manage transports all over the world.

We deliver a wide range of valuable spare parts and attachments.

If you have any questions please do not hesitate to contact us, we will gladly assist you.

You can find our extensive product range in our onlineshop. Order your products fast and cheap on shop.richter-gabelstapler.de

ABOUT US

OUR SALES-TEAM

SALES

Richter Gabelstapler was founded in 1968. As one of the global market leader for used material handling equipment, we are specialized in the international trade.

The familymanaged company, consisting of round about 45 employees, focus on a scrupulous admission of all machines, so that our experienced sales team is able to show you the detailed condition of each machine.

You as well can profit by our experience and strenghts if you contact our international team or just find each day our independent of manufacturer and complete stock on our website www.richter-gabelstapler.de
